

## Underground Pipe Application

### Guidelines for applying for underground permit

- o Please fill out permit and return to County Road office.
- o Permit needs to be approved by Road Superintendent before work begins.
- o Land owner is responsible for calling Diggers Hotline to mark any utilities before work begins.
- o Please contact the Howard County Roads Dept. 24 hours before you start any work. 308-754-5364.
- o

Date \_\_\_\_\_

To the Howard County Road Department  
Howard County Nebraska

I request permission to bury \_\_\_\_\_ pipe under the roadway between (legal

Description) \_\_\_\_\_

I plan to bury pipe as illustrated in Figure \_\_\_\_\_. There will be a minimum of \_\_\_\_\_ feet of fill dirt over pipe. No trench will be left overnight. The trench will be compacted. I will notify the Howard County Road Dept. 24 hours before construction.

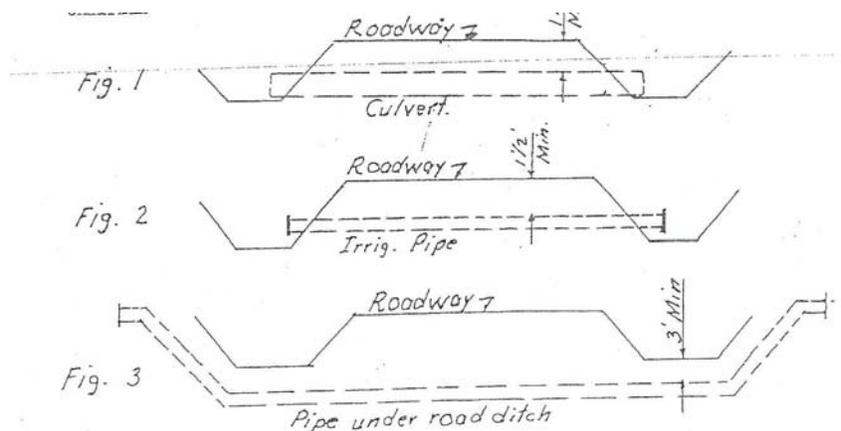

Howard County will not be held responsible for any accidents or mishaps which may occur during construction or for any damages to the structure after construction.
